

This map illustrates the fire history of Butte County, California, from 1950 to 2008. The map is color-coded by fire date: 1950-1963 (light green), 1963-1976 (medium green), 1976-1987 (yellow), 1987-1998 (orange), and 1998-2008 (red). Major fires are labeled with names and years, such as the BULLARDS Incident Fire (2010), PENDOLA FIRE (1999), and SOUTH-FREY FIRE (2008). The map includes geographical features like the Yuba River, various reservoirs (e.g., Grun-Fair, Wilson Spring), and towns (e.g., Marysville, Yuba City). A legend in the bottom left corner defines symbols for county boundaries, lookouts, summits, structures, roads, and water bodies, as well as the color-coded fire date ranges.

Legend:

- County
- Lookouts
- Summit
- Structures
- Railroad
- State Highway
- County Highways
- Major Roads
- Surface Streets
- Major Streams and Rivers
- Intermittent Streams
- Perennial Streams/Rivers
- Lake Pond; Reservoir
- Swamp/Marsh
